PS4006

The image shows a close-up of artificial grass with a central strip of grey, textured material. The grass is a vibrant green color and has a dense, fibrous appearance. The grey strip is made of several parallel sections, each separated by a thin black line. The overall texture is a mix of the soft grass and the rough, cracked grey material.

PS4007

PS4008

PS4009

The image features a vertical wooden trim with a gold Greek key (meander) pattern. The trim is set against a background of green artificial grass. The text 'PS4010' is overlaid on the right side of the image.

PS4010

PS4011

PS4012

The image shows a vertical strip of artificial grass. The central part of the strip has a wood-grain pattern with diagonal lines, flanked by a solid black border. The rest of the strip is a dense, green artificial grass texture. The text 'PS4013' is overlaid on the right side of the grass.

PS4013

The image shows a close-up of several vertical wooden planks of varying shades of brown, from dark walnut to light oak, resting on a vibrant green artificial grass surface. The planks are arranged in a row, with the widest one on the left and two narrower ones to its right. The artificial grass has a dense, fibrous texture. In the lower right quadrant, the text 'PS4014' is printed in a large, bold, white font with a thick black outline.

PS4014

The image shows a vertical cross-section of a lawn. On the left, there is a strip of natural grass growing in brown soil. On the right, there is a strip of artificial grass, labeled 'PS4015', which consists of a dense layer of synthetic blades on top of a dark, multi-layered backing. The text 'PS4015' is printed in large, bold, white letters with a black outline on the artificial grass section.

PS4015

A vertical decorative border composed of four distinct sections. From left to right: a section of bright green artificial grass, a section of light brown wood grain, a section of a dark metal strip with intricate, repeating golden-brown filigree patterns, and another section of bright green artificial grass. The text 'PS4016' is overlaid on the right side of the border.

PS4016

A vertical decorative border is centered on a background of vibrant green grass. The border consists of three distinct sections: a dark grey band with intricate, repeating circular and floral patterns; a section with a marbled texture in shades of brown and orange; and a solid dark grey band. The text 'PS4017' is overlaid on the right side of the image.

PS4017

The image features a vertical decorative border. On the left and right sides, there is a dense, vibrant green grass texture. In the center, there is a white, intricate geometric pattern with circular motifs, set against a dark background. To the left of this patterned strip is a solid light gray vertical band, and to its right is a thin black vertical line. The overall composition is symmetrical and visually appealing.

PS6005

The image shows a vertical cross-section of a synthetic turf installation. On the left is a grey, textured concrete base. To its right is a dark brown, polished metal trim strip. The majority of the image is filled with a dense, bright green artificial grass. The text 'PS6006' is overlaid on the grass in the lower right quadrant.

PS 6012

The image shows a vertical cross-section of a material assembly. On the left and right sides, there is a dense, bright green artificial grass. In the center, there is a vertical strip of material. This central strip is divided into three parts: a wide, dark brown, textured strip (possibly a metal or composite material) in the middle, and two thin, dark green, smooth strips on either side of the textured strip. The text 'PS 6013' is overlaid on the left side of the image.
